I am your seating aid for everyday use.

I promote active sitting and thus support your development. The great thing is whatever size you are, I will grow with you! You can simply adjust my seat and footplate up and down or forwards and backwards so that you can sit comfortably at the table with your big brother. I have been manufactured with loving attention to detail using wood. I suit the other furniture in your home perfectly! With my many accessory parts, I can easily be adapted even more individually to your requirements.

**You decide how I should look.
Combine my frame in natural
beech or white stain
with a
selection of great coloured
covers!**

Headrest

supports the head control.

Backrest

can be adjusted in height and angle.

Armrests

can be adjusted in height.

Seat plate

can be adjusted in height, depth and angle.

Base foot

with plastic sliders.

Removable pad cover

made from breathable material.

Lateral pads

allow a stable and upright sitting position.

Therapy table

offers a lot of space for activities.

Thigh guide

offers necessary support.

Wooden frame

with integrated aluminium profiles.

Footplate

can be adjusted in height, depth and angle.

**Fast height adjustment**

via the aluminium profiles integrated in the frame.

**Fast angular adjustment**

via pull strap

**Frame colours**

● Beech natural

● Beech white

With a great range of accessories!
