# HOISTING AND STOWING CURB-SIDER

Benefit from Bruno's compact **Curb-Sider**. Bruno's dependable hoist-style lift for scooters and power chairs, the **Curb-Sider's** space-efficient design lets you keep third-row seating when a mobility device isn't present in most vehicles. Stand by the bumper, connect a docking device, push a button and the **Curb-Sider** lifts and stows your mobility device.

This lifter features a compact, slim design that conserves space in the rear of the users vehicle whilst also being capable of lifting devices that weigh up to 181kg (with the heavy duty model)!

## FEATURES

-  Vehicle-specific bases for precise installation
-  Passenger or optional driver side placement
-  Potential to reinstall in another applicable vehicle
-  Back-Off easily removes back of mobility device to fit into shorter vehicle openings.

## SPECIFICATIONS

-  **Standard Lift Capacity:** 114kg
-  **Heavy Duty Lift Capacity:** 181kg
-  **Installed Weight:** 34kg
-  **Adjustable Outer Arm:** 6 degrees

## USER REQUIREMENTS

-  Walk from front to rear of vehicle and vice versa.
